### **Update: Returning to School January 2021**

Following the government's recent announcement, we are writing to let you know about the arrangements for coming back to school in January 2021. Unfortunately, due to a national rise in Coronavirus cases, the government has decided that students will return in phases.

On **Monday 11th January 2021**, only **Year 11** students will return to school. All other year groups must remain at home from **Tuesday 5th to 15th January 2021**, they will be returning to school on **Monday 18th January 2021**, through their usual bubble entrance.

#### **Year 11**

- Year 11 will continue their mid-term exams upon their return as discussed.
- Students should **arrive to school for 10:15am** and they should enter via their usual bubble entrance.
- Students will be **dismissed at 12:30pm**, apart from Monday as they have two exams scheduled.
- Students who have missed exams will remain behind during Exam 2 period and sit their exams. We will be in contact with those students who have missed exams.
- **Quran and Islamic Studies** classes will take place online while students are at home. Upon return (Monday 11<sup>th</sup> January 2021) there will be no morning lessons and will resume in the following week when all year groups are back onsite, InshaAllah.
- An online timetable and an updated exam timetable has been attached below.

We have stressed the importance of these exams to your children; this year, they hold more importance than ever before, so please do ensure your child revises throughout the remainder of this holiday so that they can achieve the highest grades possible.

#### **Year 7 – Year 10**

##### **Remote Learning**

All students in Years 7 to 10 will have a full timetable online via Google Classroom during their stay at home. We will be following their normal timetable which includes a break in between so that teachers and students may pray and have lunch.

Again, due to students having to go into isolation our mid-term exams for **KS3** were interrupted. We have attached their examination timetable along with their online timetable below. This will take place when students arriving back onsite, InshaAllah.

---

**Year 10** will return to normal classes as we have completed their mid-term exams.

Please encourage your child to attend live online lessons and complete the tasks set to ensure that their learning is affected as little as possible.

### **Covid 19 Reminder**

As the numbers of infections have increased, we request all parents to please abide by all government regulations with regards to Covid 19. We all need to work together to ensure everyone is safe.
