Dear Parent/Guardian,

KS3 Mid-Term Exam Assessments

As planned, our internal exam week will begin on **Monday 14th December 2020** until **Friday 18th December 2020** (Academic Week 14).

Please find a copy of your sons Examination Timetable attached with this letter. On the whole student exams will be sat in their normal lesson time (10:30am – 1.30pm) as shown in the timetable. The day will consist of two exams, Exam 1 and Exam 2, with a break in between for light snacks and Dhur Salah.

The internal examinations are a crucial part of KS3 students' preparation for their final GCSE examinations and should be approached with a similar degree of seriousness and effort. In a sense they are a "dress rehearsal" for the real thing, but additionally, they are part of the learning process required to ensure that students achieve to their potential. The process of revision and mock testing helps students to improve their knowledge and skills and this can be built upon even further in the years ahead. Conversely, failure to revise properly for mocks is bound to have a long-term detrimental effect on performance in their GCSE final exams.

All exams will be held in in school and invigilation will be overseen by our staff and subject teachers. Students are responsible for bringing the correct equipment for exams and are advised to check what they need in advance with their subject teachers.

Students should approach these examinations with a determination to do their best and, therefore, prepare thoroughly. Each student examination result will indicate overall attainment and illustrate how well a student is achieving compared to the targets set at the start of the year. During the next few weeks students would be well advised to do some revision towards these examinations and therefore to act upon the advice and guidance given to them by their subject teachers in recent lessons.
