Assalamualaikum

Dear Parent/Guardian,

KS4 Mid-Term Exam Assessment

As planned, our internal exam week will begin on **Monday 14th December 2020** until **Friday 18th December 2020**.

Please find a copy of your sons Examination Timetable attached to this letter. Students exam will begin at 10:30am and end at 2pm, as shown in the timetable. The day will consist of two exams, Exam 1 and Exam 2, with a break in between for light snacks and Dhur Salah.

The internal examinations are a crucial part for KS4 students' preparation for their final GCSE examinations and should be approached with a similar degree of seriousness and effort. In a sense they are a "dress rehearsal" for the real thing, but additionally, they are part of the learning process required to ensure that students achieve to their potential next year. The process of revision and mock testing helps students to improve their knowledge and skills and this can be built upon even further in the years ahead. Conversely, failure to revise properly for mocks is bound to have a long-term detrimental effect on performance in the final exams.

All exams will be held in in school and invigilation will be overseen by our staff. Students are responsible for bringing the correct equipment for exams and are advised to check what they need in advance with their subject teachers.

Students should approach these examinations with a determination to do their best and, therefore, prepare thoroughly. Each student examination result will indicate overall attainment and illustrate how well a student is achieving. Students would be well advised to do some revision towards these examinations and therefore to act upon the advice and guidance given to them by their subject teachers in recent lessons.

Update on missed exams

As the KS4 students were sent into isolation these last two week the Year 11 students missed some exams. These exams will be rescheduled after the December Holidays. We will keep you updated with a new timetable.
