Asalaamualiakum

Dear Parent/Guardian,

### **End of Year Examination**

As planned, our internal end of year exam week for the National Curriculum subjects will begin on **Monday 28<sup>th</sup> June 2021** until **Friday 2<sup>nd</sup> July 2021**.

Please find a copy of your sons Examination Timetable attached to this letter. Students must attend school at their normal **start time of 7:30am**. Exams will begin during the National Curriculum timings; at 11:10am and **end at 2.50pm**, as shown in the timetable.

Please note that on Friday students will pray Jumu'ah and then be dismissed from school at **1:30pm**. If you are not able to collect your son at this time then please call the main office and inform them. Student will be supervised in school until you arrive.

The internal examinations are a crucial part for all students' preparation for their final GCSE examinations and should be approached with a similar degree of seriousness and effort. In a sense they are a "dress rehearsal" for the real thing, but additionally, they are part of the learning process required to ensure that students achieve to their potential next year. The process of revision and mock testing helps students to improve their knowledge and skills and this can be built upon even further in the years ahead. Conversely, failure to revise properly for mocks is bound to have a long-term detrimental effect on performance in the final exams.

**All exams will be held in in school and invigilation will be overseen by our staff.** Students are responsible for bringing the correct equipment for exams and are advised to check what they need in advance with their subject teachers.

Students should approach these examinations with a determination to do their best and, therefore, prepare thoroughly. Each student examination result will indicate overall attainment and illustrate how well a student is achieving. Students would be well advised to do some revision towards these examinations and therefore to act upon the advice and guidance given to them by their subject teachers in recent lessons. As shown in the exam timetable, we have allocated a period for revision. In this time students must be involved in revision.

#### **Covid 19 Reminder**

Please remember to follow the government guidance. Please read our Covid-19 advise letter, given earlier this year.
