Physics combined Paper 2	8464/2	Thursday 23 rd June 2022	9am	1 hour 15 min	Kazi and Alan

Hafs Academy GCSE EXAMS 2022

Notes for Teachers:

If you are the lead invigilator, please ensure the exam papers are ready at the exam hall, before the start of the exam.

Lead invigilators are mentioned first.

Lead invigilators must make sure to take both exam boxes, papers & dispatch logs (which will be made ready for them prior to exam).

Lead invigilators must sign & fill in the exam registers, prepare the exam papers in order in the postal bag, with the labels on, ready for dispatch.

Notes for Students:

All candidates must bring their candidate statement of entry to the exam. All candidates must arrive on time and with all necessary stationary and equipment. All candidates must seat according to seating plan.

All candidates must adhere to the rules and regulations of examinations as set out by the JCQ (posters will be in exam hall).

For morning (AM) examinations candidates must attend at 9:00am. All candidates must perform Duhur Salah with Jamah at 1:30 pm after which the PM examinations will take place. All exams have been allocated to a specific room, please ensure you familiarise yourself with the location of any exams prior to any exams. If you are confused about anything above, do not hesitate to ask your teachers or the Examinations Officer.

If the lead invigilator's invigilation time ends early, before the exam finishes, due to them having a lesson, they MUST delegate responsibility for packing up the exams scripts PROPERLY, to the invigilator who's sent to relieve them.
