Notes for Students:

All candidates must bring their candidate statement of entry to the exam. All candidates must arrive on time and with all necessary stationary and equipment. All candidates must seat according to seating plan. All candidates must adhere to the rules and regulations of examinations as set out by the JCQ (posters will be in exam hall).

For morning (AM) examinations candidates must attend at 9:00am. All candidates must perform Duhur Salah with Jamah at 1:30 pm after which the PM examinations will take place. All exams have been allocated to a specific room, please ensure you familiarise yourself with the location of any exams prior to any exams. If you are confused about anything above, do not hesitate to ask your teachers or the Examinations Officer.

If the lead invigilator's invigilation time ends early, before the exam finishes, due to them having a lesson, they MUST delegate responsibility for packing up the exams scripts PROPERLY, to the invigilator who's sent to relieve them.
